## Item 4 – Other Business Activities

Mr. Rogovy is not a registered broker-dealer agent and does not have an application pending for registration as a broker-dealer agent. Furthermore, Mr. Rogovy is not registered as, and does not have applications pending to register as, a Futures Commission Merchant, Commodity Pool Operator, or Commodity Trading Adviser.

Mr. Rogovy is a Member of 679 681 Grandview Holdings, LLC (“Grandview”), a company which focuses on the acquisition, ownership, operation, maintenance, and management of commercial real estate and real estate related assets.

Mr. Rogovy is a Member of Tower Philly, LLC (“Tower Philly”), a company which focuses on the acquisition, ownership, operation, maintenance, and management of commercial real estate and real estate related assets.

Mr. Rogovy is a Member of Ilion Aeneid Fund II LLC (“Aeneid II”), a company that serves as the private equity acquisition of a pipes, valves, and fitting distributor.

Mr. Rogovy may recommend that clients invest in Grandview, Aeneid II and/or Tower Philly which creates a conflict of interest because Mr. Rogovy receives a financial benefit as a Member of Grandview, Aeneid, and/or Tower Philly, in addition to the advisory fees he receives for client assets invested in the same. This conflict is managed by requiring all supervised persons to assure that the recommendation to invest in Grandview, Aeneid, and/or Tower Philly

is in the client's best interest. In addition, we require all supervised persons to adhere to the Firm's Code of Ethics to ensure that (1) all supervised persons seek prior approval of any outside business activity so that the Firm can ensure that any conflicts of interest in such activities are properly disclosed, and (2) fully disclose to a client when a particular transaction will result in a conflict of interest by providing them with the Firm's Form ADV Part 2, which discloses this conflict of interest. Please see Item 11 for more information. Finally, the Firm only recommends alternative investments in a non-discretionary manner and the Firm will not accept the appointment to vote proxies in alternative investments. Please see Item 17 for the Firm's Voting Proxy Policy.

Mr. Rogovy serves as a Trustee to established trusts for Mr. Rogovy's family. As Trustee, Mr. Rogovy is responsible for the investment activity of the trusts. For his services, Mr. Rogovy charges a trustee fee for his services that are separate and distinct from any Investment Advisory or Financial Planning fee. This creates a conflict of interest because Mr. Rogovy, as Trustee, has an incentive to provide additional advisory services to the trusts. This conflict is managed by requiring Mr. Rogovy to assure that the recommendations made to clients are in the client's best interest.
